

Dear LFTB Family,

This morning we are going to hear Radney Foster and Kyle Hutton team up with a powerful message about foster care. I know many of you may say foster care is not for you, but before you do let me challenge you as your pastor.

Many times, as conservative Christians, we want to speak up about the terrible sin of abortion. Like so many other things happening in our society we are quick to condemn our society with no alternative to help solve the problem. In this case it is the issue of abuse or teenage pregnancy, etc.

This morning we are going to hear a practical way we can give an alternative to the problem in our society. You may not be able to bring one of these foster children in your home, but you could help support the programs financially or you can make others aware of the need.

Thank you for being a church that practices James 2: 15 – 17 If a brother or sister is naked and destitute of daily food, and one of you says to the, “Depart in peace, be warmed and filled, but you do not give them the things which are needed for the body, what does it profit? Thus also faith by itself, if it does not have works, is dead.”

I love you all,

Brother Dale

We do not pass an offering plate here at LFTB. Tithes of offerings can be placed in the little wooden church building. Thanks!
