

Dear LFTB Family,

What do these dates have in common (1248, 1306, 1689, 1792, 1836, 1844, 1914, 1936, 1960, 1974, 1981, 1988, 1989, 1992, 1994, and 2011)? They all represent the times in which people predicted that the second coming of Christ would occur. No one knows when Jesus is coming back. Jesus even said He did not know the hour He will come back.

What we do know is this: Christ's coming will be unexpected and dramatic. "But the day of the Lord will come as a thief in the night, in which the heavens will pass away with a great noise, and the elements will melt with fervent heat; both the earth and the works that are in it will be burned up." 2 Peter 3:10.

Over the next few weeks I will finish up our series of messages through the whole bible. There is not a better book to finish up the nearly 18-month series with than Revelation. Over the next few weeks I will be doing a short series on the book of Revelation.

I look forward to seeing you here,

Brother Dale
