

Dear LFTB Family,

You have heard me say many times, "We are living in the last days." One more sign of that truth hit the Israeli news waves this past month. The bible teaches us that the anti-Christ will stand in the temple and declare himself to be God. That means the temple must be built for him to do so. Well, for years the Temple Institute in Jerusalem has been preparing the temple furniture and other things to get ready for the building of the temple.

The big news is that they have started minting the temple half Shekel. It is the official coin used to purchase sacrifices and give tithes in the temple. The amazing thing is that the coin has a replica of the new temple on one side and two faces on the other. There is a profile of Cyrus, the gentile king that allowed the Jews to return around 550 BC. There is another facial profile on the new coin of another Gentile leader in front of Cyrus. It is non-other than a profile of Donald Trump. According to the Jewish leaders, he is a modern-day Cyrus because he has moved the U.S. Embassy to Jerusalem and has supported the recognition of Israel as a nation by doing so.

Ladies and gentlemen let me say it again, "We are living in the last days and Jesus could call us home at any time. Are your ready? If not, get ready today."

I love you all,

Brother Dale

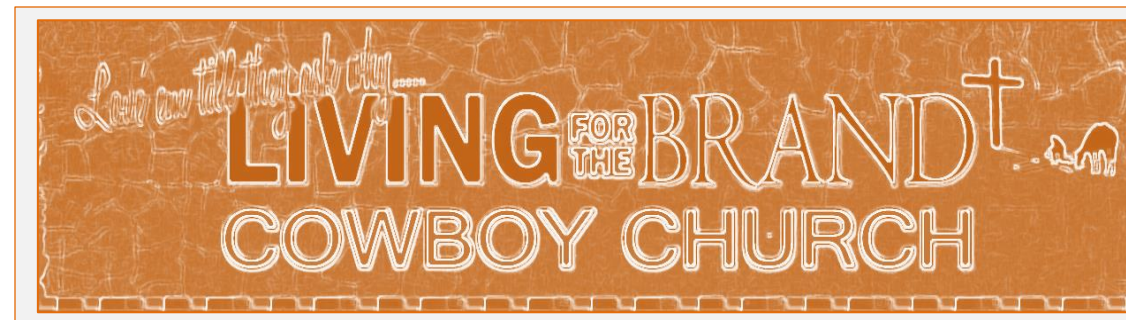

We do not pass an offering plate here at LFTB. Tithes or offerings can be placed in the little wooden church building. Thanks!
