

Dear LFTB Family:

Tomorrow is a very special and important day for our country. In a day when our military is being attacked simply because they have surrendered to the call to serve, we need to be about thanking and helping our men and women who have and are in our military. Some of us grew up just after World War II. We were blessed by a generation of young men who gave everything to win a war in Europe and the Pacific. The people at home were behind our troops 100% and did everything they could to support the war effort.

Let me take the time to encourage all of those who are and have served in the armed forces. We are proud to be a free nation because of you. Let me also encourage all of our people to honor a veteran tomorrow on Veterans Day. This morning we will be recognizing our veterans. Please notice who the veterans are and give them a hardy THANK YOU before you leave church today. LFTB, Thanks you for being a church who supports our armed forces.

Bro. Dale
